

Puppy Application Form

Please answer ALL questions and give ALL preferences in order of your choices. We use this form to not only make sure we place our pups in good homes but to make sure we find the right puppy match. These questions are not to disqualify you but to match the right puppy temperament with your family. **A non-refundable deposit of \$500** which goes towards the puppy price is required to hold your puppy – no exceptions. Puppies must be paid for in full either prior to or when picked up at 8 weeks old. All expenses incurred with shipping are the purchasers responsibility. Do not send a deposit until application is approved and you have chosen your puppy. We do not take deposits prior to puppies being born.
